Call for posters

Poster abstract submission information

The PAWS-MED project invites to submit abstracts for posters to be presented during the International Conference on Forest Pedagogic in the Mediterranean region entitled “*Forest Pedagogic and Environmental Education - The PAWS-MED Experience*” that will take place in Sabaudia, in the visitor center of the National Park of Circeo, on 15th and 16th September 2011.

Posters should fall within the themes dealt by this Conference and be focused on the state of the art of forest pedagogic/environmental education projects, activities and materials developed in different countries, preferably Mediterranean ones but not only.

The poster session will be held on Friday, **September 16th**, when selected authors will make a brief (5 minutes) presentation on their posters. All abstracts accepted by the Scientific Committee will be presented as posters at the International Conference.

Abstracts should be submitted only in **English** in a Word document containing no more than **400 words** and showing the following information:

- Author(s) name and affiliation(s). Presenting author's name should be underlined;
- Key contacts and correspondence, email address;
- Title;
- Theme;
- Type: forest pedagogic project, activities or materials
- The text should be in Arial, 10 pt in a A4 Microsoft-word document size.

Language

Abstracts and posters should be submitted and presented only in English. No translation in any other language is foreseen.

Additional notes

Full responsibility for the paper rests with the author. By submitting the abstract the Author is confirming that she/he has obtained the necessary permissions to publish the material and to use any material that might be protected by copyright for the purpose of this publication.

This project has been funded with support from the European Commission. This publication [communication] reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Abstract submission

Please submit your abstract till **March 31th 2011** to the following e-mail address:

pawsmconference@paws-europe.org

The subject line of the email will be “**PAWS-MED poster abstract**” and the file size should be less than **1Mb**.

Further information on poster format and the poster session will be made available to the authors after the abstracts acceptance and then displayed on the website.

Participants will be informed whether their poster has been accepted till April 29th 2011
